Since 1973, the USC Verdugo Hills Hospital Women's Council has raised over \$3 million to benefit the hospital. Women's Council is a diverse group of women with a desire to make a contribution to their community by raising funds to support the highest priority needs of the USC Verdugo Hills Hospital. Our goal is to ensure that our local hospital continues to provide world class health care to the Foothill communities and beyond.

Funds raised at BINGO will benefit the new Neonatal Intensive Care Unit, a six room private NICU, that will provide an ideal environment for babies, mothers and the whole family to heal and thrive.
